FINANCIAL POLICY & CREDIT CARD AUTHORIZATION FORM

Thank you for choosing **David Schmidt D.D.S.** Our primary mission is to deliver the best and most comprehensive dental care available. Our fees are based on the quality materials we use and the time, effort and skill required in performing your treatment. They are reasonable and customary to our area. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering payment options. We accept cash, check, Visa, MasterCard, American Express or Discover Card. For extensive cases/treatment we offer usage of a convenient Monthly Payment Option from CareCredit Healthcare Credit Card or Lending Point. This option allows you to pay overtime with no annual fees or pre-payment penalties

Payment is due at the time services are rendered unless alternate arrangements have been made in advance with the office manager. We require an initial deposit for any treatment involving a laboratory. For patients with PPO dental insurances, as an out of network provider with all plans except for Delta Dental Premier, Blue Cross Blue Shield, and Cigna, we are happy to work with your carrier to maximize your benefit and directly bill them electronically for costs of your treatment. Your *estimated* copayments are due on the date of service.

For <u>all</u> patients with dental insurance, we require a credit card to be kept on file for any balances unpaid by the insurance. Once we receive payment from your dental insurance carrier, if there is any balance remaining, we will charge the credit card on file.

While most PPO dental insurances do directly reimburse the dentist, some may only remit payment to the patient. In this case, the patient is responsible for providing payment in full to the office at the time of service and we will file a claim on your behalf to your carrier for reimbursement.

I understand that payment is expected at the time of service. I hereby agree to pay and guarantee payment in full of any and all charges for services rendered, unless otherwise stated in the investment options.
In the event of a missed appointment or a cancellation of an appointment without 24 hours' notice, there will be a charge of $50.00 applied to your account. This cancelation fee is not covered by your insurance; it is your responsibility and must be paid prior to rescheduling the missed or canceled appointment.

I understand that my dental insurance may only pay a portion of my treatment cost and that my portion is due no later than the time of treatment, unless otherwise stated in the investment options.
The amount that the insurance company states they will pay is only an *estimate* that has been obtained over the telephone or via their website.

If the insurance company pays a lesser amount or denies my claim, I will receive a statement to that effect, and it will be my responsibility to pay the difference. If the insurance company pays more, I will be sent a refund for the difference.

I hereby agree that should my dental and/or medical benefits provider not respond to Dr. Schmidt within 45 days from the date of service; I will assume immediate responsibility for the payment and remit the balance owed in full, unless otherwise stated in the investment options.

I hereby authorize payment direction to Dr. Schmidt of all dental and or/medical benefits otherwise payable to the policyholder. I also authorize Dr. Schmidt and his designees to release information to my insurance company.
I hereby agree that should my account need to be forwarded to a collection agency for collection, that any attorney and court fees incurred by Dr. Schmidt in the collection process will also be guaranteed by me.

Upon any credit card charges processed, please send me a courtesy notification by:
